Plug-and-play headphones

Instantly in 2.4 GHz radio: once the charging station is plugged into the TV, the headphones connect automatically every time

Direction pad for volume and sound modes

Perfect sound at the press of a button: Steplessly adjust the volume to your preferences using the direction pad and choose the best entertainment performance for films, music and watching TV from the three modes - Voice, Full and Normal

Closed acoustic design

The closed circumaural headphones block out disturbing noise and keep music inside

Passive noise suppression

The perfect fit reduces unwanted exterior noise so that you can enjoy your music without being disturbed

Soft and pleasant-to-wear earpads

Maximum wearing comfort: the soft earpads with pleasant surface structure adapt to the head and ears, remaining comfortable even with prolonged use and ensuring loss-free sound

Padded headband

Padded headband for a comfortable listening experience also over long periods of use

Adjustable headband

The headphones are equipped with an individually adjustable headband which adapts to the shape of your head
