THE SMARTEST ALL-IN-ONE YOU'VE MET

Brains & Beauty Meet Business Brawn

Meet the Lenovo ThinkCentre X AIO Aura Edition, an all-in-one with a revolutionary display for unmatched visual experiences. This Copilot+ PC boasts powerful computing and AI performance fueled by an Intel® Core™ Ultra Series 3 processor. Plus, the Lenovo AI Turbo Engine boosts processing and response times while minimizing lag — even under heavy workloads.

MORE SPACE. MORE CLARITY. MORE IMPACT.

Revolutionary UX That Transforms the Way You Work

The ThinkCentre X AIO boasts more room to create and multitask with the industry-first 16:18 display. Drag and drop files between devices with Thunderbolt™ Share. Enjoy AI-powered audiovisuals for lifelike meetings, plus premium Harman Kardon® sound.

IMAGINED WITH INTEL®

Lenovo Aura Edition

Lenovo and Intel® have long partnered to engineer the best PCs in the industry. Our years of close collaboration culminate in bold software solutions that elevate your day-to-day experiences. The best products. The best experiences. Lenovo Aura Edition.

ADVANCED-LEVEL PROTECTION

Security Like Your Business Depends On It

ThinkShield, our suite of security solutions, safeguards your critical business data. Human Presence Detection ensures your big ideas stay yours with lock-on-leave and shoulder-surfer detection. Discrete Trusted Platform Module encrypts your data, while the physical webcam shutter puts you in control of your camera.

THINKCENTRE TOUGH

Engineered for Reliability

ThinkCentre PCs are tested for more than 10,000 hours in Lenovo and independent laboratories to ensure military-level durability (up to MIL-STD-810H). Plus, the Intelligent Cooling Engine (ICE) 7.0 ensures the system stays super quiet even when the AI is working at high performance.

CREDIBILITY & COLLABORATION

Sustainability

Our goal is to provide smarter technology that builds a brighter, more sustainable future for our customers, communities, and the planet. That's why we pursue industry leading labels and certifications that demonstrate our commitment to sustainability in product design. Together, we can build a smarter future for all.
