Full Gigabit Ports for Premium Wired Performance

Gigabit Ethernet ports deliver maximum wired speeds. Plug in PCs, smart TVs, and game consoles for fast and reliable connections

Boosted Wi-Fi Coverage Throughout Your Home

4× high-performance antennas boost Wi-Fi signals throughout your home. Beamforming technology detects devices and concentrates signals towards them, especially to previously hard-to-reach areas.

Flexibly Create Whole Home Mesh Wi-Fi

Archer BE220 is EasyMesh-compatible. If you have any dead zones at home, just add another EasyMesh router/range extender to further form your whole home multi-gigabit mesh Wi-Fi. No more searching for a stable connection.

- **Wi-Fi Dead Zone Killer**

Eliminate weak signal areas with Wi-Fi coverage for the whole house

- **Smart Roaming**

Uninterrupted streaming when moving around your home

- **One Wi-Fi Name**

No more switching Wi-Fi network names

Your Security is Our Priority

With TP-Link HomeShield, enjoy advanced security features that deliver a safe environment that protects your family and network's data and privacy.

- **Home Network Scanner**

Real-time network scanner to detect potential threats and security issues.

- **Parental Controls**

Manage time online and block inappropriate content to keep your family safe online.

- **Quality of Service**

Assign your favorite devices to have the fastest connections for top performance.

VPN Clients and Server Supported

Allow devices in your home network to access remote VPN servers without needing to install VPN software on every device. Archer BE220 can run both the VPN and ordinary internet connections at the same time, delivering security and flexibility.

Setup Got Easier than Ever

Install the Tether app and simply follow the on-screen directions. In just three easy steps your entire home can be blanketed in strong and reliable Wi-Fi.
