Stays with you on your creative journey

Take pleasure in using the S Pen on your Galaxy Tab S9 with precision and control. It is sensitive to pressure and tilt, allowing you to create detailed sketches and illustrations. When used together with Samsung Notes, it enables you to bring your ideas to life.

Easy to carry, easier to store

Now with IP68-certified water resistance, the S Pen is ready to follow you outdoors even on a rainy day. When not in use, attach it with just a snap to the S Pen magnetic holder on the tablet, where it charges whether you place it up or down. Tucked safely, it stays ready for your next bright idea.

Get to S Pen actions quickly with Air Command
