R4,984

Ensure secure conversations

Keep conversations private. With up to 2x better density, this secure DECT wireless headset is an ideal choice for financial, medical, government, and contact centers or anywhere sensitive conversations happen.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
