APC SWNMC3PUPS-6Y-DIGI software license/upgrade Full 1 license(s) Subscription 6 year(s)

Model: SWNMC3PUPS-6Y-DIGI

Manufacturer: APC

Product Code: 290033

R34,846

Remote monitoring and visibility across IT infrastructure is mission critical as without remote monitoring you risk unexpected issues and downtime.

The Schneider Electric Network Management Card (NMC) enables essential and secure remote monitoring and management of your critical power UPS and PDU devices.

Connecting your devices will improve the availability, resiliency and efficiency of your power infrastructure systems and the IT workloads they support.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
