

HP EliteBoard G1a AMD Ryzen AI 5 330 16GB DDR5 512GB SSD W11P 3YW

Model: DM0S0ET#ABB

Manufacturer: HP INC.

EAN: 826581252634

Product Code: 1063693

R33,378

The HP EliteBoard G1a Next Gen AI PC is designed to elevate productivity and deliver reliable performance in a compact form factor. Equipped with AMD Ryzen AI technology, this PC offers processing power with its quad-core design and speeds of up to 4.5 GHz. The 16 GB DDR5 RAM ensures smooth multitasking, while the 8 MB L3 cache enhances processing efficiency. A 1 TB SSD utilizing NVM Express (NVMe) provides rapid data access and storage capabilities, making it suitable for demanding applications.

Integrated features like dual stereo speakers from Poly Studio create an immersive audio experience, perfect for virtual meetings or multimedia. The HP Tamper Lock enhances security by protecting against unauthorized access, while the Kensington nano security slot provides additional theft protection. With versatile connectivity options, including USB4 and Bluetooth, the HP EliteBoard G1a Next Gen AI PC is a powerful solution for both personal and professional environments.
