of medical trolleys.

Crisp Image Quality

Tailored for medical precision, the ME-3201 features 2MP (1920 x 1080) resolution, offering unmatched clarity, facilitating accurate diagnostics and integration.

Safety First

Our monitor features an IEC/EN60601 certified power adaptor, ensuring safe, consistent operations.

Versatile Mounting

Adaptability at its finest. With a 100 x 100mm VESA specification, mount the ME-3201 with ease, be it on dynamic medical trolleys or sleek wall setups.

Broad Connectivity

Integration has never been smoother. With HDMI and DisplayPort interfaces, ME-3201 caters to the diverse connectivity needs of modern medical systems.

Eye-Care Technology

Prioritising your well-being. Crafted for extended usage, our monitor minimises eye strain through its flicker-free performance and protective blue light filter.
