All-new Android 14 for More Intuitive & Seamless Operation

10.1-inch Large Display with Widevine L1 Support

10.1-inch Immersive Display

Larger Screen, Broader Vision

Boasting a large HD screen of 10.1 inches, Tab 60 WiFi offers you a large visual space where details pop and colors come alive. From watching movies, gaming and taking online classes to browsing, you can fully immerse yourself in the content with unparalleled clarity.

Widevine L1 Support

Stream at the Best

Anything better than relaxing on the sofa with a movie in stunning 1080P resolution? Thanks to the Widevine L1 support, Tab 60 WiFi delivers stunning and cinematic video quality, elevating your viewing experience to a new height.

Dual BOX Speakers

Feel the Beat, Feel Alive

Want to experience richer and crystal-clear sound? Featuring dual box speakers, Tab 60 WiFi makes your dream come true by providing powerful and immersive sound effects that allow you to revel in every note, deep bass or crisp treble.

Smooth Operation from 12GB RAM and 1TB TF Expansion

Octa-core AllWinner A523 Processor

Power Through Your Day

Powered by the robust AllWinner A523 processor, Tab 60 WiFi delivers outstanding performance and efficiency. Plus, with the octa-core architecture, multitasking is a breeze. You can switch between apps, stream content, and navigate with unprecedented smoothness every time.

Up to 12GB RAM

More Memory, More Possibilities

Tired of frustrating slowdowns for a lack of RAM? Not again with Tab 60 WiFi. Boasting 12GB RAM in total, 4GB physical and 8GB virtual, it enables you to do several tasks simultaneously as smoothly as possible.

128GB ROM with 1TB Expansion

Space to Explore, Freedom to Store

It’s easy to eat up space if you obsess over saving videos or installing apps. Tab 60 WiFi with 128GB ROM and up to 1TB expandable storage offers you enough space for your files, photos, episodes, and more. You don’t have to free up space constantly.

5100mAh Mega Battery and the Latest WiFi 6 Technology

5100mAh Mega Battery

Go Longer Without Stopping

Designed for extended use on a single charge, Tab 60 WiFi comes with a 5100mAh mega battery. Whether you’re catching up on your favorite shows, battling through intense gaming sessions, or managing work tasks away from a power source, it just offers you hours of reliable performance.

WiFi 6 Technology

High-speed Internet Access, Always

Equipped with WiFi 6 technology which provides up to 40% faster connectivity than its predecessors, Tab 60 WiFi ensures smoother streaming, quicker downloads, and more reliable video calls while keeping you seamlessly connected, even in crowded areas.

5MP Front & 8MP Rear Cameras That Enhance Life Convenience

5MP Front Camera

Clear Selfies Made Easy

Via the 5MP front camera, Tab 60 WiFi meets your essential needs for video calling and selfies. You can have relatively clear image quality when engaged in online learning or participating in video

conferences.

8MP Rear Camera

Decent Image Quality,

Always

Tab 60 WiFi with an 8MP rear camera performs well for capturing documents, taking daily photos, or recording family videos, with satisfactory color and detail handling.

Smart Google Lens

Scan, Search, Explore

Google Lens on Tab 60 WiFi allows you to unlock the world around you with ease. You can instantly obtain information, translate texts, identify products, and explore places around you just by pointing your camera.

All-new Android 14 for More Intuitive & Seamless Operation

Efficiency↑ Convenience↑ Smoothness↑ Personalization↑

Next-level Efficiency at Your Fingertips

PC Mode 2.0

Multiple Windows,

Laptop-like Experience

Featuring a multi-window display and “pin-on-top” capability to prioritize tasks effectively, PC Mode 2.0 on Tab 60 WiFi gives you a laptop-like experience that can significantly enhance your productivity.

Split View 2.0

One Screen, Double Productivity

Imagine being limited to just one task at a time. Not very efficient, right? With Split View 2.0, you can seamlessly manage two tasks on a single screen, like watching videos while chatting with friends, or comparing documents side by side, thus maximizing your efficiency.

Pre-installed WPS Suite

Power Up, Work Ready

Find it rather annoying spending time setting up the WPS? No more this time. Tab 60 WiFi comes equipped with the pre-installed WPS suite, allowing you to dive straight to work mode the instant you
