Enhanced Privacy Begins with Your Voice

AI Voice Activation

Compared to the previous version, the upgraded Tab 20 Kids features enhanced voice activation and voiceprint recognition that’s faster, more accurate, and even more secure — keeping your child’s content and experience truly personal.

One Voice, All Done

AI Global Smart Control

Whether your child wants to watch cartoons or you need to set up study time, the Tab 20 Kids' AI understands and helps right away. Just speak or type — no more tapping through endless apps. It’s easy for kids to use and even easier for parents to manage.

Real-Time Support, Smarter Results

AI Full-Screen Smart Assistance

Tab 20 Kids features AI Full-Screen Smart Assistance that offers real-time, context-aware support. With simple, full-screen prompts, kids can navigate faster, interact smarter, and enjoy a safer digital experience.

Just Ask. Instantly Answered

AI Voice Q&A Made for Kids

With Blackview Tab 20 Kids' voice-enabled AI, all you need is to ask your question, no typing, no searching. Just natural, hands-free learning through real conversation. Answers come instantly, making learning simple and fun.

Talk Naturally, Learn Continuously

AI Real-Time Voice Conversation

With real-time AI voice interaction, kids can speak freely — even with pauses or topic changes. The AI follows along and responds smoothly, making learning feel natural anywhere, anytime.

Say It, See It, Instantly

AI Text-to-Image Creation

With Tab 20 Kids, children can describe anything they imagine, and the AI turns it into fun, colorful images in seconds. Whether it’s a flying unicorn or a dinosaur at school, creativity comes to

life—ready to share or save as a project.

Maximize Your Day with an Immersive 10.1-Inch Display, Crystal-Clear Audio, and All-Day Battery Life

Not Just Bigger — It’s Made for Kids

10.1-inch Large HD+ Display

With its expansive 10.1-inch HD+ screen, Tab 20 Kid brings learning, creativity, and entertainment to life in vibrant color and clear detail. It’s designed to support focused learning and meaningful exploration.

Certified Clarity. Endless Kids’ Joy

1080P Widevine L1 Certified

Tab 20 Kids features a vibrant 1080P display with Widevine L1 certification, enabling smooth, high-definition streaming on platforms like YouTube and Netflix. Whether it’s cartoons, movies, or educational videos, kids enjoy clear visuals and rich detail.

Clearer Sounds. Deeper Fun

Dual Speakers with Smart-K Support

Tab 20 Kids features dual speakers enhanced by Smart-K technology, delivering clear, immersive sound that brings stories, songs, and learning videos to life. Great sound makes every story, song, and game more fun.

More to See. More to Do

All-new Split Screen 2.0

With the upgraded Split Screen 2.0, kids can watch a lesson while taking notes, or enjoy a story while drawing their favorite characters — all on one screen. It’s made for multitasking fun, more ways to explore and more to do.

One Screen. Many Possibilities

All-new PC Mode 2.0

With PC Mode 2.0, Tab 20 Kids helps children handle tasks like a pro — from writing and web research to watching lessons, all in separate windows on one screen. No app switching, no

distractions. Just a smarter, smoother way to learn and create.

Tools for School. Ready to Go

WPS Office Pre-installed

With WPS Office on Tab 20 Kids, children can write reports, create slides for school projects, and practice using spreadsheets —all through a simple, touch-friendly interface. Whether at home, in class, or on the move, learning stays organized and easy.

Gentle on Eyes. Reassuring for Parents

3 Eye Protection Modes

Tab 20 Kids is designed with young eyes in mind. With three eye-care modes — it helps reduce eye strain during study, play, or video time. So kids can enjoy their screen, while eyes stay relaxed.

Learn Through Play

Grow Every Day

Google Kids Space

Designed with young learners in mind, Google Kids Space transforms screen time into meaningful learning time. It encourages exploration, creativity, and skill-building — all through the power of play. Safe, engaging, and endlessly enriching, it’s where fun and growth go hand in hand.

Endless Possibilities, All-Day Power

6600mAh Large Battery

Tab 20 Kids features a robust 6600mAh battery that powers hours of uninterrupted learning, play, and creativity. From online classes to games on the go, it delivers reliable, all-day performance — with the power to match every possibility.

Snap More, Know Faster — Smart 8MP + 5MP Dual Cameras, Google Lens, and Face Unlock Convenience

From Class to

Play — Snap It All

8MP Rear Camera

Whether it's snapping school projects or everyday moments, the 8MP rear camera on Tab 20 Kids

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. delivers clear, vivid shots. Sharp for study, fun for family — it’s ready whenever inspiration strikes.

Say Hi, See Smiles

5MP Front Camera

The 5MP front camera brings endless fun and smiles to everyday video calls— from weekend chats with families to silly talk with friends.

Faster, Safer

Just One Look

Face Unlock

With Face Unlock, access is as easy as a glance. Kids can jump right into learning, games, or videos — no passwords needed. Tab 20 Kids is secure, simple, and designed for everyday convenience.

Tap, Snap, Learn

Smart Google Lens

With just a tap, kids can snap a picture of anything they’re curious about — a bug, a book, or even a tricky word — and learn about it instantly. Google Lens turns everyday moments into fun, hands-on learning adventures.

Power Through Anything – With a 2.0GHz Quad-Core Processor, Up to 16GB RAM and 64GB ROM + 2TB TF Expansion Support

One Tap. Instant Response

Quad-core UNISOC T310 Processor

Powered by the efficient UNISOC T310 quad-core chip, Tab 20 Kids delivers smooth, responsive performance for everything kids do — from watching cartoons and exploring apps to switching tasks with effortless speed. It's built for speed, made for fun, and ready for anything.

Keep Going, No Slowdowns

Up to 16GB RAM=4GB RAM + 8GB Expansion

No more lag or frozen screens. With up to 16GB of total memory, Tab 20 Kids runs learning apps, games, and videos smoothly — even when switching between them. Kids enjoy a fast, frustration-free experience every time they tap and explore.

More Space, More Smiles

64GB ROM+ Up to 2TB TF Card Expansion

Tab 20 Kids comes with 64GB of built-in storage and supports up to 2TB expansion — perfect for saving cartoons, storybooks, fun apps, schoolwork, and precious family photos. More room means more memories, more learning, and more smiles every day.

Get More Done, Faster and Safer with the All-New DokeOS_P 4.1 Based on Android 15

Smarter System, Safer Play.

All-New DokeOS_P 4.1 Based on Android 15

Tab 20 Kids is powered by the upgraded DokeOS_P 4.1 (based on Android 15), delivering a smoother interface, easier multitasking, and enhanced security. It’s designed to keep kids engaged, parents reassured, and learning time both fun and efficient.

Safe Sharing, Simple Fun

EasyShare App

With the EasyShare app on Tab 20 Kids, children can quickly send drawings, photos, videos, and schoolwork to family or friends. No complicated steps, no waiting. Just simple, safe, and fast sharing.

Smarter Study,

Efficient Switch

Upgraded Bottom Taskbar

The upgraded bottom taskbar on Tab 20 Kids makes it easier for children to open learning apps, switch between tasks like reading and note-taking, and start split-screen learning — all with just one tap. Designed to support focused and efficient study.

See the Words

Learn the World

Live Caption

Tab 20 Kids helps children follow along with videos in different languages by showing real-time subtitles — making learning new words and exploring global content fun and easy.

Made Simple

All-new Efficient

Copy-Paste Way

With Tab 20 Kids, children can easily copy text, images, or answers from one app and paste them into another. Just tap, hold, switch, and paste. It makes learning
smoother, faster, and simpler.

Stay Smooth

Learn Fast

Atomized Memory 2.0

Keeping Tab 20 Kids running smoothly, even with multiple learning apps open. It remembers what your child uses most, so switching between reading, drawing, or watching lessons stays fast and frustration-free.

Less Waiting, More Doing

Smart Pre-Loading

Tab 20 Kids uses Smart Pre-Loading to speed up access to frequently used apps by up to 25%. Whether it's reading, drawing, or learning, children get started right away — saving time and learning more.

Privacy at

Your Fingertips

Privacy Control

Streamline personal data management with the Privacy Dashboard. It's simple to use and built to help keep your child's digital world safe.

More Safer, More Private

Sensitive Notification Protection

Tab 20 Kids helps keep your child’s information secure by detecting and blocking suspicious apps that try to read verification codes or sensitive notifications — so their data stays private, and more safer.

Design Your Style

Full Set of Personal Theme

Kids can design their own digital world by choosing themes, icons, and colors, a fun way to boost creativity and build visual taste.

More Space, Less Mess

Larger Folders

Tab 20 Kids makes organizing easier with larger folders, helping children quickly find what they love while keeping the screen clean and clutter-free.

A Clearer View

Easier Control

Optimized Landscape Layout

With the optimized landscape layout on Tab 20 Kids, the Notification and Control Center is easier to see and simpler to use. Kids can check updates and adjust settings quickly without the clutter.

Nighttime Comfort,

Eyes Protection

“Even dimmer” Display Brightness

In dim environments, the Tab 20 Kids screen adjusts to a lower brightness level, giving children a softer, more comfortable viewing experience at night.

Instantly Transferred

Play Faster

Data Migration Assistant

With just a quick scan, you can move everything from an old Blackview or Android device to Tab 20 Kids — no hassle, no confusion, just ready to go.

Always Connected

Always Smooth

5G WIFI+Wireless BT 5.0

Thanks to advanced wireless BT 5.0 and 5G Wi-Fi, Tab 20 Kids delivers faster downloads, smoother video streaming, and easy wireless file sharing , and flawless file transfers for an uninterrupted connection.
