

NETGEAR GS516PP Unmanaged Gigabit Ethernet (10/100/1000) Power over Ethernet (PoE) Blue, Grey

Model: GS516PP-100EUS

Manufacturer: NETGEAR

EAN: 606449149258

Product Code: 461143

R9,133

Instant Connectivity and Reliable Performance

The NETGEAR Gigabit Unmanaged Switch series helps your business cost-effectively expand your network to Gigabit speeds and higher port counts. The GS516PP joins the series and offers 16 PoE+ ports to power high-power PoE devices. With a total PoE power budget of 260W, deploy denser PoE+ devices to a single switch rather than multiple

The GS516PP is energy efficient, built to last, and rigorously tested to provide the reliability your business needs. 802.1p traffic prioritization and jumbo frame support allow for seamless integration with more sophisticated networks.

Powerful and Energy Efficient

Ideal for powering and connecting VoIP phones, wireless access points, IP Cameras and IoT devices. Desktop or rackmount for flexible placement. The GS516PP gives you a highly cost-effective and powerful switch with the best cost/PoE budget ratio.

NETGEAR Unmanaged Switches support the latest Energy Efficient Ethernet (IEEE 802.3az) standard, which reduces energy consumption when there is light traffic on an active port or when there is no link or no activity detected. It can further save energy when a short cable is used.
