Take your gaming to an advanced level with Logitech G335 Wired Gaming Headset. These gaming headphones are lightweight and use a suspension headband design to help distribute weight and relieve pressure points. The elastic headband is adjustable and reversible for a customized look and fit. Soft memory foam ear cups and sports mesh material allow for long-lasting comfort, so you don't have to pause the game. G335 is easy to set up. Simply plug into your game with the 3.5mm audio jack directly into your PC, laptop, gaming console/controller, or mobile device. The G335 gaming headset with mic is a versatile gaming companion. Easily control the volume or adjust the microphone to fit all of your gaming needs.
