Lenovo 4ZN1E71442 security software Security management 1 - 2499 license(s) 3 year(s)

Model: 4ZN1E71442

Manufacturer: LENOVO

Product Code: 289362

R1,794

Absolute offers:

- Data about the device fleet: View your entire device fleet from a cloud-based dashboard thanks to Absolute’s persistent, self-healing connection. Whenever a user attempts to alter or remove it, Absolute reinstalls itself, guaranteeing crystal-clear visibility.
- Stay ahead of risks and vulnerabilities: Catch risks before they become incidents. Customize reports and alerts to instantly know whenever encryption, anti-malware, or any other mission-critical app is absent or vulnerable.
- Automate inventories to get more done: Inventory your hardware and software assets automatically — then quickly generate reports on hardware, software, OS, geolocation, and

hundreds of other data points that Absolute already collects for you.

- Discover savings within your budget: Maximize the return on your tech investments with reports on device and software usage. Learn which assets are underused, then repurpose or phase them out to cut unnecessary expenses.
