With 2048 levels of pressure sensitivity, the ThinkPad Pen Pro for X1 Yoga is an ideal input solution for precise content input and creation. Users will enjoy easy access to right and left click buttons built into the shaft of the pen that provide additional tools for data interaction. This pen is unique to the ThinkPad X1 Yoga as it can be stored in a system pen slot. While being stored, the pen will recharge and allow the user up to 130 minutes (active use) of battery life off of a single charge.
