Focus on what matters

Desk C-clamp

A convenient mounting bracket is included to help free up desk space. The bracket can clamp to the edge of almost any flat work surface, and the mounting arm of PA348CGV slips right into it.

*Desk C-clamp availability may vary by region.
*the photo for demo only

The USB-C that does it all

ProArt Display PA348CGV gives you unparalleled compatibility with USB-C, HDMI and DisplayPort most multimedia devices. The integrated USB-C port supports data transfers, DisplayPort and also support 90W power delivery. PA348CGV also serves as a USB hub, meaning that when you connect to it via USB-C (using C to C cable, or C to A cable), your device gains access to whatever peripherals are connected to the USB ports.

Accurate real-time on-set preview

QuickFit Plus is clever feature overlays a grid on the screen that allows to align and preview. Center marker and safety area it can real-time preview when you are on-set shooting to avoid video image beyond the screen. Ruler provides actual size of inch ruler in the edge; you also can customize the working size to fit your preference.

Protect your eyes with ASUS Eye Care technology

ASUS Ultra-Low Blue Light technology

Exclusive ASUS Ultra-Low Blue Light technology protects you from blue-light emissions that may be harmful to your vision. It offers four blue-light filter settings that are easily accessed through the on-screen menu via the hotkey.
