convenience, it can also be magnetically attached to the side of the screen when the lid is open. Never lose your stylus again.

PRIVACY & PROTECTION

Security Like Your Business Depends On It

This X1 2-in-1 boasts advanced-multilevel security with ThinkShield, our comprehensive suite of security solutions. Discrete Trusted Platform Module safeguards data with encryption. Biometrics integrated with the power button instantly boot up and securely log you in. Intel® delivers AI-enhanced threat detection and defense.

TESTED FOR DURABILITY

Engineered for Where Work Actually Happens

Featuring a recycled aluminum chassis, the X1 2-in-1 is engineered to withstand MIL-STD-810H testing. Meeting or exceeding 12 standards and 200+ quality checks ensures that our laptops run in extreme conditions, like harsh temps, pressure, vibration, dust, and more. Reliable build quality helps reduce downtime and unexpected repairs.

CREDIBILITY & COLLABORATION

Sustainability

Our goal is to provide smarter technology that builds a brighter, more sustainable future for our customers, communities, and the planet. That's why we pursue industry leading labels and certifications that demonstrate our commitment to sustainability in product design. Together, we can build a smarter future for all.
