## Connect with convenience: Multiple Ports

ZenScreen Smart MS32UC is the perfect entertainment hub, boasting built-in Google TV with extensive wired and wireless connectivity options including USB Type-C® with 90-watt Power Delivery, HDMI™, DisplayPort™, and two USB hubs to connect to laptops, smartphones, and tablets.

Sustaining an Incredible Future

**Eco-friendly design**

ZenScreen Smart MS32UC is made via an exclusive insert-molding process to keep its weight down and to create a thin profile while also cutting down on materials used. What’s more, the monitor is shipped in sustainable FSC® Mix-certified packaging. This lightweight, eco-friendly, paper-based packaging is designed to keep overall volume as low as possible for more efficient shipping.
