It's more than just stylish furniture: Clean lines and a seamless viewing experience enhance focus and eliminate distractions, combining style with functionality.

Seamless Viewing: 100Hz Smooth Motion

Enjoy a 100Hz refresh rate for a clearer and smoother experience. This high refresh rate ensures quick response to changes, providing enhanced comfort for webpage reading, video streaming, and gaming.

Reading

Color Modes for Multitasking

ePaper Mode, the simulated e-book display, balances the text and background to make long reading sessions easier on the eyes.

Lasting Well-Being on Your Eyes

BenQ Eye-Care technologies safeguard your eye health with multiple features, ensuring that you see every image with clarity and comfort.

Low Blue Light Plus

This technology maintains vivid colors while filtering out shorter, higher energy blue-violet radiation that is harmful to the eyes.

Flicker-Free Technology

The exclusive BenQ Flicker-Free Technology eliminates flickering at all brightness levels to reduce eye strain, fatigue, and headaches.

ePaper Mode

The simulated e-book effect with clear black and white reading layout provides a better reading experience.

TÜV Rheinland Certified

Global safety authority, TÜV Rheinland, certified the GW2791's Flicker-Free and Low Blue Light Technology as truly friendly to the human eye. Eyesafe 2.0 certification ensures that the display reduces blue light while maintaining vivid colors.

Eye-CareU

Leave it to the compatible Eye-CareU software on the GW2791. The timer helps you take breaks, and you can always rely on its assistance for quick navigation and settings via the on-screen control.
