Comfortable fit with open-ear design

The ergonomic fit stays snug and secure to keep you comfortable and connected all day while the open-ear design enhances your ambient awareness of your surroundings.

Up to 6 hours of playback plus 20 in the case with speed charge

Never miss a beat with 26 hours of combined playtime and up to 6 hours in the earbuds. Or, when you need a quick power-up, you can Speed Charge another hour of battery life in just 10 minutes and for 2 hours for a full charge.

Hands-free stereo calls

The single-mic Wave 300TWS earbuds eliminate background noise so you can enjoy stereo quality calls on the go. Easily manage sound and calls hands-free, directly from the earbuds!

Dual Connect

Easily shift between mono and stereo at any time in your left, right, or both earbuds while making calls, enjoying music, or talking with your voice assistant.

Action ready

The convenient, rain-resistant IPX2-certified design of the JBL Wave 300 TWS earbuds means you enjoy your music anytime—rain or shine.

Touch control and voice assistant supported

Convenience at your fingertips. Activate all of your JBL Wave 300TWS’s audio functions with the ease of touch control and access your device’s voice assistant directly from your earbuds
