Premier Support Plus

Smarter knows a productive workforce is an unstoppable force.

Lenovo Premier Support Plus provides faster issue resolution, protects your investment, and prevents IT issues before they become problems.

IT support has never been so easy

Premier Support Plus provides faster, better resolution — whatever issue you have. Get direct access to advanced technicians who are ready to provide unscripted solutions to problems related to hardware, software, or peripherals. And if your concern can't be solved remotely, our team will provide on-site support on the next business day.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

We provide peace of mind

- Always-on support for hardware & software - 24x7x365
- Protection against spills and other accidents
- Data protection and increased privacy
- Unscripted solutions through phone, chat, or email
- Next business day onsite and parts prioritization
- Extended battery warranty

Suite of smart services included

Premier Support Plus offers services that help your business in the journey toward maximum productivity.

Accidental Damage Protection

Reduce device repair costs by up to 80% and protect your investment in technology.

Keep Your Drive

Enhance your data protection by keeping ownership of your hard-drive in case of replacement.

Sealed Battery

Increase the warranty of your battery up to 3 years and reduce the cost of repair in case of failure.

Add a little Plus to your IT support

Whether you’re buying a new device, or refreshing your warranty, Premier Support Plus provides value to your business. You can easily add to your purchase when buying a new device or upgrade existing service via the Warranty Lookup function.
