SYNOLOGY DS725+ 2-Bay Diskstation AMD Ryzen Embedded R1600 4GB DDR4 ECC SODIMM

Model: DS725+

Manufacturer: SYNOLOGY

EAN: 4711174726035

Product Code: 525743

R19,586

The Synology Disk Station DS725+ is designed to cater to the needs of users looking for reliable and efficient network-attached storage. Featuring a powerful AMD Ryzen dual-core processor with a clock speed of 2.6 GHz, this device ensures smooth operation and responsiveness. With a maximum supported storage capacity of 200 TB, users have ample space for data while benefiting from advanced features like RAID configurations. The DS725+ supports various network services and protocols, including iSCSI, FTP, and SMB, making it versatile enough for home or office environments. This NAS server provides support for hot-swap drives, ensuring easy management of storage without downtime. Equipped with a 92mm cooling fan, it maintains optimal performance

within a temperature range of 0°C to 40°C while producing low noise levels of 17.9 dBA. The DS725+ is also designed with security in mind, featuring a Kensington security slot and hardware encryption to protect sensitive data. Its ability to handle multiple network protocols and services ensures seamless integration into existing infrastructures, making it a reliable choice for efficient data management and access.

Product Description: Synology Disk Station DS725+ - NAS server | Device Type: NAS server | Host Connectivity: 2.5 Gigabit Ethernet | Max Supported Capacity: 200 TB | Installed Devices / Modules Qty: 0 (installed) / 2 (max) | Dimensions (WxDxH): 10.6 cm x 22.3 cm x 16.6 cm | Weight: 1.51 kg () | Processor: 1 x AMD Ryzen R1600 2.6 GHz (Dual-Core) | Storage Controller: RAID RAID JBOD, 0, 1, 5, 6, 10 | Networking: 10Mb LAN, 100Mb LAN, 1GbE, 2.5GbE | IP Cameras Supported: 40 | Performance: Sequential read: 276 MB/s Sequential write: 224 MB/s Maximum number of storage pool: 32 Local user account: 512 Local group account: 128 Maximum number of shared folder: 128 Maximum number of shared folders syncing tasks: 4 Hybrid share folder number: 10 System log & notification centre: 800 Maximum iSCSI LUN: 2 | RAM: 4 GB | Power: AC 100-240 V (50/60 Hz) | Storage Operating System: Synology DiskStation Manager | Manufacturer Warranty: 3-year warranty
