Clone Picture

Clone It, Create It, Transform It

Effortlessly duplicate any area or object in your photos and place it elsewhere. "Clone" and create identical or similar content, opening up endless creative possibilities for your images.

Animate

Turn Still Photos into Living Memories

Bring your photos to life by simulating details like blinking, smiling, and head movements. Watch your memories become vivid and full of motion, telling their own unique story.

Spiral Effect

Twist Reality, Unleash Creativity

Capture the essence of interaction between people and their environment, blending them seamlessly with a dynamic spiral effect, adding a creative twist and endless possibilities to every photo.

Replace Sky

Change the Sky, Change the Mood

Transform your photos with just one click! Whether it's a bright blue sky, a breathtaking sunset, or a starry night, effortlessly change the sky to match your perfect vision.

Double Exposure

Two Worlds, One Stunning Image

Effortlessly blend two photos together, creating stunning, dreamlike visual effects. Transform your images into artistic masterpieces that push the boundaries of creativity.

Radical Color Contrast

Clash Colors, Create Impact

Unleash bold visual energy! Apply striking color clashes to different elements in your photos, creating a vibrant, modern style that grabs attention and makes a statement.

VidGen App

From Text to Motion. From Images to Emotion.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. shop.cssi.co.za | sales@cssi.co.za | +27 (11)541-9950

Simply enter a line of text or upload an image—VidGen's powerful AI turns your input into captivating video content. Whether you're crafting vlogs, short films, or reliving special moments, bring your stories to life with ease.

AI Text-to-Video

Visualize your ideas—transform plain words into cinematic storytelling.

AI Image-to-Video

Add motion to your memories—bring static images to life with dynamic flair.

AI Hug Effect

A digital embrace that feels real—convey warmth, comfort, and emotion in every frame.

AI Kiss Effect

Where light meets emotion—ignite romance with visually enchanting moments.

Soundle App

Compose Your Mood in Seconds

Describe your vibe, choose the style, pick the instruments—then let Soundle's AI compose a custom track that hits all the right notes. Whether you want something dreamy, upbeat, or soulful, the soundtrack of your moment is just one prompt away.

IP68 & IP69K Water & Dust Resistance

Built to Brave It All

To conquer harsh environments, the tablet is certified with both IP68 & IP69K ratings, ensuring superior resistance to water, dust, and even high-pressure, high-temperature water jets — ready for any mission, any time.

Underwater Camera

Dive Deep, Capture More

To break the boundaries of land photography, Active 5 features an underwater camera mode that enables effortless shooting in wet environments. With a single switch, users can capture breathtaking moments underwater — whether diving, stream trekking, or filming in the rain.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
shop.cssi.co.za | sales@cssi.co.za | +27 (11)541-9950

The camera utilizes a glass lens for protection, which is tightly bonded to the outer casing using waterproof adhesive. This effectively prevents water and dust from entering the camera.

The side buttons utilize high-quality silicone waterproof rings, precisely engineered to fit snugly against the device body, effectively blocking water, dust, and other fine particles.

MIL-STD-810H Certified

Tested Tough, Trusted Everywhere

To ensure stable performance in the harshest conditions, Active 5 is certified to MIL-STD-810H military standards. It's built to withstand drops, temperature extremes, humidity, and vibration—ready for rugged use in deserts, highlands, and beyond.

Panda MN228 Reinforced Glass

Tougher Glass, Safer Every Day

To enhance screen durability, the tablet features Panda MN228 reinforced glass with superior scratch and drop resistance. Whether facing daily slips or outdoor impacts, it stands strong—protecting every touch with confidence.

-20°C to +60°C Operating Range

Reliable Even in Extreme Conditions

Engineered for unpredictable weather and rugged use, the tablet operates smoothly from -20°C to +60°C. Whether it's snow-covered patrol routes or blazing construction zones, it keeps going—unfazed and uninterrupted.

Glove Mode 2.0

Operate Seamlessly Even with Thick Gloves

Designed for extreme outdoor conditions, Glove Mode 2.0 enhances touch sensitivity and accuracy, enabling smooth operation even with thick gloves—perfect for construction sites, cold weather, and more.

8.68" Compact IPS Screen

Small Size, Big Vision

The 8.68-inch IPS HD screen offers compact size for easy portability, wide viewing angles, and vivid

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
shop.cssi.co.za | sales@cssi.co.za | +27 (11)541-9950

color display, ensuring comfortable and clear visuals whether reading, watching videos, or gaming.

AI 90Hz Smart Refresh rate

Smoother Motion, Smarter Power

Enjoy ultra-smooth visuals with a 90Hz refresh rate that makes scrolling, swiping, and transitions effortlessly fluid. The smart refresh algorithm dynamically adjusts the rate based on usage scenarios—balancing performance and power efficiency.

1080P Widevine L1 Support

Genuine HD, Unlimited Vision

Certified with Widevine L1, supports 1080P HD playback on major platforms like Netflix and Prime Video for a smooth, crisp viewing experience.

Certified by TÜV SÜD Low Blue Light

Certified Comfort, Safer for Your Eyes

Active 5's display is TÜV SÜD Low Blue Light certified, significantly reducing harmful blue light emissions to relieve eye strain during extended use. Whether reading, binge-watching, or working, your eyes stay protected and comfortable.

Five Eye-Comfort Modes

Always Easy on the Eyes

Active 5 features five thoughtfully designed eye-comfort modes to keep your eyes protected and relaxed in any environment. By minimizing blue light and adjusting display tones, it ensures a soothing viewing experience from day to night.

Dark Mode

Battery-saving mode with a soothing viewing experience

Night Light

Comfortable viewing with warmer colors

Reading Mode

Kindle-like e-reading experience with grayscale interface

Dual Smart-K BOX Speakers

Big Sound, Full Immersion

Equipped with dual Smart-K BOX speakers, the tablet delivers clear layers, deep bass, and immersive stereo sound—enhancing every scene, whether you're watching movies, gaming, or video calling.

Sleek, Compact, and Ready to Go

Blackview Active 5 redefines portability with its slim profile and lightweight design. Crafted for comfort and ease, it fits naturally in your hand, making every task—from work to play—more enjoyable on the move.

6600mAh Mega Battery

Power That Lasts, Freedom That Stays

The built-in 6600mAh mega battery easily supports video streaming, online work, and gaming across multiple scenarios. Say goodbye to low-battery anxiety and enjoy uninterrupted moments all day long.

AI Smart Power Saving Algorithms

Smarter Use, Longer Life

With smart power saving algorithms, the system dynamically adjusts resource allocation based on usage conditions, reducing power consumption while maintaining smooth performance—greatly enhancing overall energy efficiency and extending battery life.

AI Smart Power Saving Algorithms

Charge Smart, Live Long

Powered by smart charging protection algorithms, the system monitors voltage, current, and temperature in real time, adjusting charging behavior to prevent overcharging and overheating—effectively extending battery lifespan and ensuring every charge is worry-free.

Octa-core Unisoc T615

Power Meets Efficiency

Equipped with the powerful octa-core Unisoc T615 processor, the tablet delivers robust performance with seamless multitasking, fast app launches, and smooth gaming and media

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. playback—empowering users to effortlessly handle work and entertainment.

Up to 24GB RAM=8GB RAM + 16GB Expansion

Powerful Performance, Unlimited Potential

Boosting multitasking power, the tablet supports up to 24GB RAM—a combination of 8GB high-speed RAM and 16GB expandable memory. It effortlessly handles multiple apps and large files, keeping the system smooth and responsive for longer.

128GB ROM + Up to 2TB TF Expansion

Store More, Worry Less

With massive storage, Active 5 lets you store apps, photos, videos, and documents effortlessly, delivering smooth performance even with large files and heavy usage. Whether for media or projects, it has all your storage needs covered.

Advanced Cooling System

Cool Inside, Powerful Outside

With its advanced cooling system, Active 5 guarantees smooth, uninterrupted performance, even during gaming or streaming sessions. No overheating, no lag—just consistent, powerful performance.

16MP AI Rear Camera

Every Detail, Perfectly Captured

Equipped with a 16MP rear camera, delivering sharp and clear photos that effortlessly capture the beauty of every moment, near or far.

13MP AI Front Camera

Selfies and Calls, Perfectly Clear

Featuring a 13MP high-definition front camera, the tablet enables high-quality selfies and video calls, delivering clear and detailed visuals for meetings and social sharing, presenting users in their natural best.
