Sit back and enjoy your favorite shows in 1080P Full HD — with Widevine L1 certification for smooth playback and rich detail.

Clear Sound. Pure Enjoyment

Dual Box Speakers with Smart-K

Enjoy clearer, richer sound in everything you do — from videos and music to games and more. Powered by dual BOX speakers with Smart-K tuning, ZENO 5 delivers balanced, immersive audio with crisp highs and deeper lows — perfect for everyday entertainment.

Listen Instantly.Enjoy Effortlessly

Wired Earphones Included

ZENO 5 comes with a wired earphone, so you can dive into music, videos, and everyday entertainment right away. No pairing. No charging. Just pure, simple sound.

A Screen with Pro-Grade Eye Protection

TÜV SÜD Low Blue Light Certification

Read, study, and browse with ease — even during long sessions. Certified by TÜV SÜD for low blue light, ZENO 5 helps reduce eye strain — for a more comfortable viewing experience, day after day.

More Ways to Care for Your Eyes

Reading Mode

Enjoy a Kindle-like reading experience for long sessions.

Dark Mode

Reduce brightness and glare for more comfortable viewing at night.

Night Light

Softer brightness helps ease eye strain in low-light environments.

Turn Your Tablet into an 11-inch Laptop

PC Mode 3.0

With a simple four-finger swipe, enter PC Mode instantly and start working right away. Open up to 8 windows, switch tasks effortlessly, and stay in control — all with a laptop-like experience on an 11-

Speak your question and get instant answers — no typing needed.

Real-Time AI Conversation

Enjoy smooth, real-time AI conversations — continuous and responsive.

Everything, Made Effortless — Powered by Doke AI Suite

Switch seamlessly between apps — chat, create, edit, and explore across your workflow. From writing and studying to creating content, ZENO 5 brings together powerful AI tools in one seamless, connected experience.

AI Chat

Your intelligent companion for study, work, and creativity. Ask questions, summarize documents, and generate ideas instantly — all in one place.

AI Writing & Summarization

Generate content, refine text, and quickly understand documents — perfect for notes, reports, and study materials.

AI Tutoring Assistant

Learn your way with personalized explanations, guided exercises, and adaptive study support.

AI Smart Search

Get quick answers, summaries, and insights — helping you find what you need faster.

AI Photos

Turn ideas into eye-catching visuals in seconds. Create from text or transform your photos into share-ready content — made to stand out and earn more likes.

AI Video

Turn text or photos into dynamic videos. Create and customize with ease — adding effects, styles, and your own creative touch.

AI Music

Create music from simple prompts — explore different styles and refine your sound with ease, turning your ideas into something you can share, feel, and connect through.

More Comprehensive Performance

Powerful Performance

Octa-Core Performance Processor

Powered by the Unisoc T7250 octa-core processor, built on a Cortex-A75 + Cortex-A55 architecture, ZENO 5 delivers smooth, responsive performance with efficient power usage for everyday tasks.

Never Slow Down, Even with More Tasks

With 8GB of RAM and up to 24GB of additional expansion, ZENO 5 delivers up to 32GB of memory — giving you smoother multitasking, faster app launches, and the ability to keep more apps running in the background without slowdowns.

More Space for What Matters

128GB ROM + Up to 2TB TF Card Expandable

Save your favorite content, important files, and everyday essentials in one place. With 128GB storage and up to 2TB expandable via TF card, ZENO 5 gives you more space, more freedom, and less worry.

Fully Upgraded

DokeOS_P 5.0 Based on Android 16

New Look. More Magic.

DokeOS on ZENO 5 is upgraded to version 5.0 (Android 16), delivering faster performance, smoother operation, a cleaner interface, and smarter AI features — all for a more refined and intuitive experience.

Protection You Can Rely On.

Elegant to Use. Designed for Real Life

With IP54-rated protection, ZENO 5 helps guard against splashes and light spills — so everyday moments won’t interrupt your experience.

Protected from Day One

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
shop.cssi.co.za | sales@cssi.co.za | +27 (11)541-9950

With a protective case and tempered glass included, ZENO 5 stays protected from scratches, bumps, and daily wear — giving you extra peace of mind wherever you go.

Stay Connected, Wherever You Go

Dual 4G SIM Support

Use two SIM cards or one SIM with a TF card — stay connected even without Wi-Fi.

Reliable Worldwide Coverage

Supports multiple bands for stable and reliable use across different regions.

Wi-Fi 5

Stable and fast wireless performance for everyday use.

Wireless BT 5.0

Smooth and reliable pairing with your devices.

4-System Precision Navigation

Supports GPS, GLONASS, BeiDou, and Galileo for faster, more accurate location tracking.

Ready Right Out of the Box

ZENO 5 includes everything you need to get started — no extras required.
