

LG PCS500R video servers/encoder

Model: PCS500R

Manufacturer: LG

EAN: 8806091298997

Product Code: 607942

R90,115

Pro:Centric® Direct Support

The stand-alone server supports LG’s Pro:Centric® Direct, an HTML5 Content Management Software. This software offers a comprehensive UI (user interface) editor, along with customizable widgets and a number of theme templates to enable a unique guest experience as well as express your hotel’s brand identity and individuality through LG’s in-room television.

Server Admin Client

PCA or PCD Admin Client Graphical User Interface (GUI) is provided and is remotely accessible via the Internet using VPN service and a standard web browser, to provide System Integrator administration users with a full suite of features to manage and support the Pro:Centric system, including:
