Ody II Silent Wireless Keyboard

Thin and silent wireless keyboard for hours of working comfort

Smooth and silent

Noisy typing is out, silent typing is in. This wireless keyboard has silent keys for a soft keystroke so you can easily type without disturbing yourself and those around you. Ready to enjoy your most productive workdays yet?

Typing, elevated

We’re a firm believer in productivity and comfort going hand in hand. With floating low-profile keys and an adjustable typing angle, the Ody II ensures all-day comfort so you can put in work without any of the pain.

Wireless wonder

No pesky cables around to get in your way – completely wireless, this keyboard gives you all the flexibility you need whilst working. With a convenient USB receiver, magnetic and storable inside the keyboard, simply plug into your laptop or PC and you’re good to go.

The keyboard that does it all

This keyboard is for so much more than just typing. With easily accessible media and hotkeys, you can control what you need from the push of a button. What’s more, the keyboard even has a convenient on/off switch to help you preserve battery life as much as possible!
