filter renders the content of your screen virtually invisible to everyone except you. It also has a smudge-free coating that reduces traces of fingerprints and grease to give you a clear – but still private – view of your screen.

The screen protector is Ultra-Wide Fit, which means it covers the front surface of your phone, providing a complete view of your screen while leaving a little room around the edges for a PanzerGlass® case, for example, a fearlessly fashionable case from CARE by PanzerGlass®. And if you’re thinking: “What if my camera lenses get scratched?” Well, help is just a few clicks away: Combine your screen protector and case with PanzerGlass® PicturePerfect or Hoops®.

We’ve included step-by-step installation instructions as well as a QR code for quick access to our online how-to video. And remember: Once installed, you’ll never again fear your phone falling screen-first. This might not happen, but then again … it might!
