Two powerful 5dBi antennas and 2×2 MIMO enhance wireless transmission to deliver broader wireless coverage with stronger signal intensity.

Smooth Video Streaming

IGMP Proxy/Snooping, Bridge, and Tag VLAN support optimizes IPTV streaming so you can enjoy your favourite movies and shows lag-free.

Guest Network

The Guest Network function provides secure access for guests to use your Wi-Fi network. Share with anyone, without compromising your private network.

Premium Design

An ergonomic shape and sleek texture make for a stylish addition to any room. A hole-punched top plate dissipates heat to ensure long-term functionality and stable operation.

IPv6 Compatible

Compatible with the most recent Internet Protocol version (IPv6) keeps your router future-proof and allows you to enjoy IPv6 services provided by your ISP and visit IPv6 websites.
