ADAPTIVE POWERHOUSE

Laptop. Tablet. Sketchpad. Collaboration Device.

When you need the flexibility to shift from laptop to tablet use, look no further than the Lenovo ThinkPad T14s 2-in-1 Gen 2 laptop. This lightweight powerhouse boasts a garaged pen that’s ready when you are. Combined with ThinkPad’s legendary reliability, advanced security, and immersive collaboration features, it’s the best coworker you’ll ever have.

ON-DEVICE AI FOR SMARTER EXPERIENCE

AI That Anticipates, Automates & Adapts to You

Powered by the AI-driven Intel® Core™ Ultra Series 3 processor, this Copilot+ 2-in-1 integrates advanced AI to boost task management, automate routine processes, and personalize insights. It learns your preferences and seamlessly supports everything from creating documents to drafting communications. Stay ahead securely in fast-paced work environments.

PRIVACY & PROTECTION

Security Like Your Business Depends On It

This 2-in-1 boasts advanced-multilevel security with ThinkShield, our comprehensive suite of security solutions. Discrete Trusted Platform Module (dTPM) safeguards data with encryption. Biometrics integrated with the power button instantly boot up and securely log you in. And Intel® delivers AI-enhanced threat detection and defense.

SMART CONNECT

Unify Your Digital Life

Connect all your devices and manage your files and messages from your T14s 2-in-1. Just tap to pair your tablet, smartphone, even an iPhone. Then find what you need, faster, searching by voice or keyword across your devices.

DURABILITY TESTING

Engineered for Where Work Actually Happens

Featuring a recycled chassis part aluminum, magnesium, and polymer, this 2-in-1 is engineered to withstand MIL-STD-810H testing. Meeting or exceeding 12 standards and 200+ quality checks ensures our laptops run in harsh temps, pressure, vibration, dust, and more. Reliable build quality helps reduce downtime and unexpected repairs.

CREDIBILITY & COLLABORATION

Sustainability

Our goal is to provide smarter technology that builds a brighter, more sustainable future for our customers, communities, and the planet. That's why we pursue industry-leading labels and certifications that demonstrate our commitment to sustainability in product design. Together, we can build a smarter future for all.

Specifications may vary depending upon region / model.
