R13,580

Change the way you note

Galaxy Tab S6 Lite is your super carryable note-taking, go-getting companion. It comes with a large 10.4 inch display on a slim and light build, One UI 6.1 on Android, and S Pen in box and ready to go. Whether you're drawing, learning or gaming, this is the tablet made to be in the moment.

The nearest theater is where you are

Less bezel means more room for a bigger, 10.4 inch display on a conveniently compact tablet. Enjoy an impromptu private screening in the park or binge watch in bed with dual speakers in landscape orientation that deliver rich, 3D sound.

Find your best angle

Stand your screen up on one of your cover's two angles for easy viewing. Whether you're lounging on the couch or sitting at a cafe, simply adjust the screen to watch all your favorite content with added comfort.

Get ready for crunch time with study hacks

Keeping up with lectures is a breeze with S Pen. When taking notes, you can jot first and change colours later. Quickly sort through memos when you save with searchable tags. Even write directly onto PDFs to cut the study clutter. When it's finally crunch time, you'll be organized and ready.

Speed + Memory + Power = Epic Races

Blast through race after race on a tablet that wins. Load quickly, run smoothly and stay connected while grabbing fast LTE & Wi-Fi speeds. Don't worry about running out of steam with long-lasting battery life. Have more space to save your content and files with expandable microSD.

Draw inspiration with S Pen

S Pen is a bundle of writing instruments in one. Its natural grip, low latency and impressive pressure sensitivity will make it your go-to for everything from drawing to editing documents. And S Pen won't get misplaced thanks to the tablet's magnetic holder.

Draw and connect with PENUP

Enjoy spending time at home with Galaxy Tab S6 Lite by sketching, colouring, and sharing your drawings on the PENUP app. PENUP brings you closer with others by letting you both inspire and be inspired, so you can have fun together even while apart.

Productivity has never been so mobile

Full PC-like productivity in a slim tablet with Samsung DeX. Simply tapping DeX button on the Quick panel for features that let you use your tablet just like a PC. Open several windows at once, drag and drop a photo into an email, and right-click for more functions.

Security at every level protects what's yours

Samsung Knox delivers defense-grade security. Your private data is protected from malware and malicious attacks by leveraging the hardware-backed and multi-layered Knox security platform.

Team up your tablet with your phone

Seamlessly work across devices. You can copy text or an image from your phone and paste it on your tablet, and vice versa. Or write a note to self in Samsung Notes or browse on Samsung Internet from your tablet, and open those apps in your phone to pick up where you left off.

Stay in touch when your phone is out of reach

Galaxy Tab S6 Lite seamlessly syncs your Galaxy Smartphone, so you never miss a call when it comes in. It also allows you to reply to urgent text messages, so you're never out of the loop. Simply tap the icon in the Quick Panel for a seamless connection.

Quick Share at hyperspeed

Sharing your photos, videos and documents is fast and easy with Quick Share. Just a few taps and you can instantly send files from your Galaxy Phone, Tab or Book to other nearby Android devices — even to multiple devices. Want to send a file to non-Android devices? It can be easily shared through a QR code or Contacts.
