
Cudy GS105D network switch Unmanaged Gigabit Ethernet (10/100/1000) Black

Model: GS105D

Manufacturer: CUDY

EAN: 6971690790097

Product Code: 973533

R751

No Sockets Nearby? No Worries

No power sockets nearby? Use the USB port on your PC/TV/router/printer to power the switch and expand the connection with ease.

A Moving Network Hub

Do maintenance and troubleshooting more easily with a power bank-powered switch. It can operate for a full day with a 10,000 mAh power bank.

A Long-Distance Switch with Power Saving

Super-Fast Gigabit

Five 10/100/1000 Mbps non-blocking Ethernet ports enable instant transferring of data without mutual interference.

Extra Transmission Distance

140 meters of Gigabit transmission adding 40% longer distance compared to a standard switch, simplifies wiring for larger premises.

Saves Power

Reduce power consumption when Ethernet ports are idle, saving the electricity expenses on networking facilities.

Wall Mounting

Provides two mounting holes on the bottom of the casing, catering to wall-mounting placement scenarios.

Compact Size. Modern Design.
Compact enough to fit in most home network distribution boxes. The wave line white casing casts a modern aesthetic. The retail package comes with a USB-A to USB-C power cable.

Expand Network for More Devices
Connect Office Computers to Wired Network
Boost Home Devices with Stable Ethernet

A 5-GbE long-distance switch with USB-C power input and a modern design, supporting full Gigabit speeds on all five ports over distances up to 140 m, and featuring a super-efficient chipset with idle power consumption of just 0.2 W.
