quality and speed. VX2718-2KPC-MHD is also equipped with ViewSonic’s exclusive ViewMode™ presets, which offer optimized screen performance for different home entertainment applications, such as watching movies, editing, or playing video games. In addition, a DisplayPort and two HDMI inputs offer flexible connectivity for both general use and entertainment.

Ultimate Immersive Gaming Experience

With a 1500R screen curvature, the VX2718-2KPC-MHD provides a truly immersive viewing experience that lets you enjoy big, bold and stunning panoramic views.

Seamless In-Game Actions

With a swift 165Hz refresh rate, this monitor delivers great visual fluidity and flawless graphics no matter how quickly the in-game action unfolds.

Smooth Images without Ghosting

1ms (MPRT) response time delivers better performance with smooth pixel transitions from color to color and reduced ghosting.

Adaptive Sync Delivers Smooth, Continuous Visuals

With Adaptive Sync technology, screen tearing and choppy frame rates are eliminated to provide seamless and smooth visuals in every scene.

Crisp and Clear Detail

At two times the resolution of a traditional 1080p display, QHD results in a much sharper image, with no distortion or stretching, all while maintaining the same 16:9 aspect ratio.

Optimal Viewing Conditions

ViewSonic’s exclusive ViewMode offers specialized presets to fit different usage scenarios including Game, Movie, Web, Text, Mac, and Mono modes. These presets enhance gamma curve, color

temperature, contrast, and brightness to deliver the optimal viewing characteristics for each application.

Stereo Sound

Designed with dual integrated speakers, the VX2718-2KPC-MHD accents its incredible screen performance with stereo sound for a complete multimedia experience.

Connection Flexibility

Dual HDMI and DisplayPort inputs offer a wide range of compatibility, giving you the ultimate flexibility when connecting devices.

Comfortable Viewing

Flicker-Free technology and a Blue Light Filter help to eliminate eye strain from extended viewing periods.

Low Energy Consumption

The VX2718-2KPC-MHD has been designed with energy efficiency in mind, featuring an Eco Mode that consumes less power, resulting in a smaller carbon footprint and reduced office overhead costs.
