The ProLite X2797QSU is perfect if you want a compact, high-performance display that fits seamlessly into a multi-monitor setup. The four-side slim bezel creates a clean, modern workspace and ensures uninterrupted visuals across screens. With a sharp QHD 2560x1440 resolution and IPS panel technology, this 27-inch monitor delivers outstanding image clarity, consistent colour accuracy and wide viewing angles. It is ideal for professionals who multitask, work with detailed visuals or compare documents side by side. Whether you're working on documents, editing content or browsing the web, flicker-free technology and TÜV Rheinland Eye Comfort certification ensure the display meets strict criteria for low blue light and long-term viewing safety. It features integrated
