Fujitsu MHV2080AH internal hard drive 80 GB 5400 RPM 8 MB 2.5" Ultra-ATA/100

Model: MHV2080AH

Manufacturer: FUJITSU

Product Code: 10132

R207 ~~R559~~

Fujitsu is once again proving that less is more. Our newest 2.5-inch mobile hard disk drive offers increased capacity and processing power, yet actually reduces the power needed to do so. Fluid Dynamic Bearing (FDB) motors help limit acoustic noise, resulting in whisper-quiet operation.

What's more, this pocket-sized drive offers 1.5 ms read/write seek times, while at the same time providing high-capacity, space-efficient storage products to OEMs and resellers.

The history of leadership in research and development by Fujitsu continues to bring innovation to you. The hard disk drives offer up to 120GB storage capacity at 5,400 RPM speeds. This combination can dramatically improve the performance of laptop PCs, small form factor PCs and blade
