Manufacturer: MARS GAMING

EAN: 4711099470815

Product Code: 1016851

R1,216

Next-generation Bluetooth 5.1 chipset with super low latency connection and 16 hours of playtime for absolute freedom. Medical silicone ear tips with 3 selectable sizes for a perfect fit. Dual-way DUAL DRIVER technology for enhanced spatial sound, with deep bass and crystal-clear mids/highs. Comfortable touch controls. Directional capsule microphones. IPX4 high-resistance.

BLUETOOTH 5.1

We incorporate the most advanced Bluetooth 5.1 chip for maximum wireless connection stability under any circumstances, super low latency without synchronization problems in games, high fidelity sound quality with advanced codecs and maximum optimization of energy consumption for up to 16 hours. In addition, its connection is ultra simple and automatic once paired.

TWO VERSIONS AVAILABLE Black or White

Available in black and white, choose the version of the MHIB headphones that suits you best!

TOUCH CONTROLS

With highly sensitive touch controls, easily control the voice assistant, multimedia functions of music and sound control, volume control and pick up/hang up calls.

USB-C CHARGING CASE

Protect, carry and charge your headphones in an ultra-compact case with a USB-C connector that fits anywhere.

DUAL DRIVER SPATIAL SOUND

Get spectacular sound quality and impressive immersion thanks to its dual-way DUAL DRIVER system: With its dedicated biological membrane driver you will get clear mids as well as crystal-clear highs for excellent sound positioning and clarity, while its second bass reflex driver will allow you to enjoy deep bass without harmonic distortion for immersion and realism with optimized spatiality that will make you fully immerse yourself in the sound universe of your choice.

PASSIVE NOISE CANCELLATION AND PERFECT SUPPORT

Effectively isolate yourself from external noise without losing sound quality or increasing battery consumption thanks to its medical-grade silicone ear tips with 3 selectable sizes. Find the perfect size for your ear and get a perfect fit and comfort.

DIRECTIONAL CAPSULE MICROPHONE

Use the built-in directional capsule microphone pointed at your mouth for ideal pickup of your voice on calls or streaming.

IPX4 RESISTANCE

Made with high-quality materials, you will have IPX4 resistance, which will allow you to use them for sports without any problem.
