Choose the one that best suits your setup

Dynamic ARGB Flow Lighting

The MHW-PRO features dynamic ARGB Flow lighting that adds style to your gaming setup. Create a unique and vibrant atmosphere that stands out during gaming sessions or everyday use.

Ergonomic Ultra-Lightweight Design

Weighing only 220 grams, the MHW-PRO is designed for long sessions. The adjustable headband and breathable AIR cushions ensure a perfect fit and all-day comfort.

Intuitive Integrated Controls

Integrated controls provide maximum convenience and functionality. Strategically placed buttons allow you to adjust volume, mute the microphone, and activate 7.1 surround sound quickly and effortlessly.

Tri-Mode Connectivity and Extended Battery Life

The MHW-PRO offers unmatched versatility with triple-mode connectivity. Connect wirelessly via Bluetooth 5.3 or 2.4GHz for a cable-free experience, or use the wired option for uninterrupted gaming sessions. Switch seamlessly between devices and enjoy up to 40 hours of battery life, giving you the freedom to game, work, or enjoy content without interruptions.

Advanced Dual Microphone System
