With the GoFlex Desk, it's easy to backup, secure and access your content.

- Ensures automatic continuous backup of your data.
- Secures your backed up files and protects your privacy with powerful encryption software.
- Includes the Seagate® Dashboard management tool for easy management of backup schedules and file encryption, and viewing drive statistics.
- Includes the GoFlex Desk USB 2.0 or 3.0 desktop adapter with illuminated capacity gauge.
- Offers vertical or horizontal orientation to fit in any desktop environment.

Works interchangeably on both PC and Mac® computers

Whether you have a PC or a Mac® computer—or if you go back and forth between the two—you can access and save files on the same portable hard drive anytime without reformatting.
