The CLX-3185's Print Screen button – conveniently located on the printer control panel – lets you print the contents of your screen, quick and easy, even when you're away from your desk. Just one touch is all it takes. Choose the Active option and you print only the window that's currently active on your PC, choose the Full option and print full images of all windows open on your screen. Now you can print everything, anytime.

A one-touch eco copy button that is convenient and earth-conscious.

Located conveniently on the front of the printer panel, the Eco-Copy Feature makes it easy to help the environment. Select from 2up/4up mono or color print modes and watch –CLX-3185 combine multiple pages into a single print out, saving time, paper, toner, money, and even the environment.

It multi-tasks so you don't have to.

Productivity is a key to running any office or professional workgroup. The ultra-versatile, fast-printing CLX-3185 is designed to deliver productivity. Now you can print, copy and scan with convenience, ease and speed. Why clutter a corner of your office with several different machines when all you need is one versatile device – the 3-in-1 CLX-3185 laser multifunction printer.

Ideal for small, stylish spaces and busy places.

Measuring an ultra compact 416 x 378 x 310.4 mm (16.38 x 14.89 x 12.2 inch), the Samsung CLX-3185 easily fits on any desktop leaving plenty of room for you to get your work done. It also offers the perfect blend of beauty and practicality. With rounded edges, elegant LED light and chic black and crème grey finish, you won't want to hide this printer under a pile of papers. And you'll really enjoy the convenient one-touch print screen button and power switch located on the front panel for fast, easy access. How's that for accommodating design?

Capture what catches your eye

Samsung's AnyWeb Print software lets you go hunting and gathering on the Web. You can utilize the CLX-3185 to easily select, drag, and drop content from different web pages onto a printable scrap board in your browser window, all while you surf the web. It's an easy way to collect, arrange, and edit useful reference points and resources you can only find on the web for big projects – or even just for fun.

Your printing experience just got a lot more colorful.

The CLX-3185 easily delivers color accuracy through premium quality 2,400 x 600 dpi resolution with

absolute ease. Also, with toner particles that are smaller and more uniform in shape than traditional toner particles, you'll be impressed with accurate colors and beautiful, glossy printouts.

One less noisy office distraction

You shouldn't have to struggle to hear yourself think while sitting at your own desk. That's why the Samsung CLX-3185 is engineered to be whisper quiet, generating a noise level of just 46 dBA (Color) and 48 dBA (Mono), while it's printing. That's less than the gentle hum of a running refrigerator! A desktop printer that does its work while letting you focus on yours? Cool.

A soft approach to energy efficiency

In today's green office environment, there's simply no room for energy-hogging printers. That's why the Samsung CLX-3185 features an easy-to-reach power button right on the control panel, so you can switch to an energy-saving standby mode at the push of a button. Want to print? Just press the button again to power back up, and you're ready to go.

Lessen your wait, not your expectations

Quit losing productivity waiting around for your documents to print – the Samsung CLX-3185's fast print speed (16 ppm for mono, 4 ppm for color) will have you back to work in no time. In Ready Mode, the CLX-3185 features a First Page Output Time (FPOT) of only 14 seconds for black and 26 seconds for color, satisfying your need for speed. An impressive 2400x600 dpi print resolution satisfies your demand for quality.

Navigation Ring Key

Always know the status of your print job with the CLX-3185's navigation feedback LED pattern. It keeps you clued in with its 11 different job status indicators, including errors and warnings.
