Use the HP Engage Go Mobile in a range of settings. Add an optional integrated barcode scanner for inventory and mobile transactions or retail case with integrated hand and shoulder straps and magnetic stripe reader for loyalty cards and logins.

Captivating onscreen interaction

Give customers and associates a bright, beautiful, edge-to-edge Full HD 12.3-inch diagonal display to interact with while placing orders, browsing inventory, capturing customer data, and much more.

Strengthen your security profile

Get extra protection from HP Sure Start Gen4 for hardware-enforced self-healing protection, HP BIOSphere Gen4 to help prevent data breaches and downtime, and Device Guard and Credential Guard to control application and system access.

Designed for your daily demands

Deploy a system hardened for the long haul with an anodized aluminum chassis. It passes HP's Total Test Process and is designed to tested MIL-STD 810G standard testing. When wrapped in the optional retail case, the tablet can withstand drops up to 1.22m.

Easy expansion

Place the tablet in the optional dock to work at a fixed location. Attach the dock to an optional HP Engage One I/O Connectivity Base to access Serial, powered USB, USB, Cash Drawer, LAN, and Video Out through USB-C™ connections.

Peace of mind comes standard

Plan ahead with a three-year lifecycle that lets you roll out on your schedule. Get the reassurance of an investment that's backed by a three-year worldwide limited warranty, and extend protection with optional HP Care services.
