

Allied Telesis AT-x230-28GT- 50 Managed L3 Gigabit Ethernet (10/100/1000) 1U Grey

Model: AT-X230-28GT-50

Manufacturer: ALLIED TELESIS

EAN: 767035208435

Product Code: 1019519

R18,643

The Allied Telesis x230 Series of Layer 3 Gigabit switches offers an impressive set of features in a compact design, ready for flexible deployment at the network edge. Gigabit to the desktop ensures maximum network performance for demanding applications.

The Power over Ethernet (PoE+) models are ideal for connecting and remotely powering access and security devices. PoE+ provides up to 30 Watts to support high power connected edge devices such as multi-band wireless access points and pan-tilt-zoom (PTZ) digital security cameras, supporting the growth of wireless networking and digital video surveillance.

The fully featured AlliedWare Plus™ operating system brings a host of powerful features, such as

Ethernet Protection Switched Ring (EPSRing™) for high-speed ring connectivity, Allied Telesis

Management Framework™ (AMF) for automated management, and eco-friendly Energy Efficient Ethernet (EEE) to reduce running costs.

The x230 Series is perfect for network access connectivity.

The Allied Telesis x230-28GT features 24 x 10/100/1000T ports with 4 SFP Gigabit uplink ports. A full feature-set makes it ideal for applications at the network edge, supporting Gigabit to the desktop for maximum network performance.
