

Allied Telesis IS130-6GP Unmanaged L2 Gigabit Ethernet (10/100/1000) Power over Ethernet (PoE) Black

Model: AT-IS130-6GP-80

Manufacturer: ALLIED TELESIS

EAN: 767035215310

Product Code: 1019569

R14,871

Intended for use in outdoor IoT, city-wide surveillance, transportation and general industrial applications, the IS130-6GP unmanaged Layer 2 switch is engineered for simple operation, easy deployment, and reliable operation in harsh environments.

- Ruggedized design that meets industrial standards for temperature, vibration and electrical noise
- Flexible deployment with a compact design, and wide operating temperature, supporting external building and other outdoor and public-space environments

- Connect and power surveillance cameras, and other IoT devices with a single Ethernet connection
