Product Code: 1022416

R4,311

Convenient network management

Leverage the power of Nuclias to conveniently & cost-effectively automate, monitor, manage, and scale your wireless network. It’s simple and intuitive, and designed to make the scaling process cost-effective for Small-to-Medium-sized Businesses (SMBs). Don’t waste hours configuring new devices onsite. Don’t waste time looking for the right metrics. Nuclias has the flexibility to make onboarding, studying, troubleshooting, and reporting your network activity quick and easy.

Control across the network

Nuclias is an end-to-end solution. Whether you have a small chain of coffee shops, a bustling hotel, or even a college campus to cover, Nuclias offers the enterprise-grade hardware, software, and

reliability you need to provide a seamless connected experience – indoors and outdoors.

Nuclias is made for you

Every business is unique, including yours. When it comes to network management, there are two ways for SMBs to approach it – and Nuclias offers a solution for each. Some want simple, worry-free network management that mostly stays out of sight, and just works (Nuclias Cloud). Others are more interested in their infrastructure, and see the value of taking a more active role in network management (Nuclias Connect).
