

Kensington Comfort Gel Keyboard Wrist Rest — Black

Model: 62385

Manufacturer: KENSINGTON

EAN: 636638006291

Product Code: 1022440

R958

The Comfort Gel Keyboard Wrist Rest provides extra support and comfort when you're typing. The gel pad conforms to the natural contours of your wrists and minimizes pressure on your hands and wrists so you can be productive for longer periods of time with less aches and pains. A non-skid base ensures the pad stays in place while you're busy typing away on the keys.
