

Allied Telesis AT- FS980M/28DP Managed L3 Fast Ethernet (10/100) Power over Ethernet (PoE) Grey

Model: AT-FS980M/28DP-30

Manufacturer: ALLIED TELESIS

EAN: 767035216676

Product Code: 1027014

R28,824

Fast Ethernet Managed Access Switches

Allied Telesis CentreCOM FS980M switches feature centralized network management via Allied Telesis Autonomous Management Framework™ (AMF), and a redundant system with Virtual Chassis Stacking (VCStack™). These high-performing switches deliver flexible uplink connectivity and lower management costs.

FS980M switches provide high-performance Fast Ethernet connectivity right where you need it—at the network edge. Flexible and robust, the FS980M series provide total security and management features for enterprises of all sizes. They also support video surveillance and Point of Sale (POS) applications.

Reduce network running costs by automating and simplifying many day-to-day tasks—an FS980M is the ideal AMF edge switch when an AMF Master switch is available in the network.

With both copper and Power over Ethernet (PoE) models, the FS980M Series has the ideal solution for your network. All models are available with 8, 16, 24 and 48 × 10/100TX Fast Ethernet ports. PoE models support the IEEE 802.3at (PoE+) standard, delivering up to 30 Watts of power per port for video surveillance and security applications. The dual power supply model provides system and PoE redundancy to maximize network and end-point uptime.
