Industry-grade Panel PC with 21.5" display

The high-value P21WL01 series of Panel PCs comes with a rugged Aluminium chassis with a IP65 compliant front panel and is powered by an Intel ULV processor. The display is Full-HD and sports a projected capacitive 10-point multi-touch function. With its passive cooling the system is virtually noiseless, maintenance-free and approved for 24/7 nonstop operation. The Panel PC is available with different Intel Core processors and additional features on request. This makes it the perfect choice for rugged and public applications such as healthcare, hospitality sector, digital signage, POI, POS, Kiosk and industry.
