the environment - even its packaging is recycled. It's primarily powered by solar cells optimised to harvest light from a variety of light conditions (including indoor artificial lighting) and connects to up to 3 devices using Bluetooth® SoC, which means its extremely low-power capabilities makes it 3 to 4 times more power-efficient than other Bluetooth keyboards. And, this keyboard features Targus DefenseGuard™ Antimicrobial Protection. Unlike topically applied sprays, this DefenseGuard keyboard is infused with antimicrobial additives that don't wear or wash off, and works continuously for the life of the product.

This eco-conscious, patent-pending keyboard was designed to embody sustainability in the workspace and beyond, and deliver a comfortable typing experience. It's lightweight, ergonomic, uses ultra-low power consumption, has multi-device connectivity, and plug-and-play compatibility. Overall, a superior addition to your workspace.

Energy Harvesting Solar Capabilities

Primarily powered by solar cells (amorphous silicon photovoltaic cells) optimised to harvest light from indoor lighting (ambient or artificial), this keyboard also connects using Atmosic™ ATM3 series Bluetooth® SoC, which means it's extremely low-power capabilities makes it 3 to 4 times more power efficient than any other Bluetooth solution on the market.

Made from Sustainable Material

This keyboard was designed from the ground up to embody sustainability. Its main materials are up to 85 percent Global Consumer Recycle (GRS)-certified post-consumer recycled plastic.

Power Efficiency

The keyboard comes equipped with an ultra-low-power Bluetooth chipset, which is three-to-four-times more power efficient than competitive chipsets in today's keyboards.

DefenseGuard™ Antimicrobial Protection

Infused with antimicrobial additives, you can rest assured your keyboard is fully protected. Unlike topically applied sprays, DefenseGuard™ offers protection to help prevent the growth of micro-organisms that does not wear or wash off and lasts for the life of the product.
