Licensed to win

Enjoy your best gaming experience ever with the Forta headset, officially licensed for PS5™ consoles. Not only is it designed to work perfectly with your PlayStation® console, but it’ll match it too. Cool.

Clean, green gaming machine

Save the planet in virtual reality and real life with your new headset. Made from 35% recycled plastics, kick butt in-game whilst also helping to kick climate change’s butt.

Feelin’ good

Say goodbye to brain-squishing headsets. A padded headband, moveable earcups, and durable soft over-ear pads will get you feeling as good as that very first win.

Turn it up

Sound so good you’ll be able to play with your eyes close. Powerful 50mm drivers and 3D audio on your PS5™ console takes you straight to the centre of the action – right where you need to be.

Loud and clear

Feeling chatty? Express every emotion under the sun with your flexible detachable microphone. Not in the mood? That’s fine too - simply detach the mic, and you’re good to go!

You’re in control

Game time is you time, so do things your way - on-ear volume control and microphone mute enables to you hear and be heard only when you want; and a detachable 1.2m long 3.5mm cable helps you easily connect to your PS5™ console, PS4™ console, and PC*. Game on!
