Everything you want in a mouse, the Ozaa+ has. Its large size and rubber inlays provide the perfect comfortable grip; the side scroll wheel, silent buttons and optical sensor with up to 3200 DPI offer more convenient working; and it’s even made with 60% recycled plastics for more sustainable working!

Your favourite co-worker

Nobody likes a noisy office, which is why we’ve designed the Ozaa+ with silent buttons, allowing you to work productively without disturbing anybody. What’s more, its top-notch sensor means this mouse can work on any surface, so there’ll be no dragging your mouse across the desk trying to make it work. Ready to be everyone’s favourite colleague?

Give yourself a boost

Always be in the know about your mouse’s battery life thanks to its 3 LEDs which clearly indicate how much battery you have left. When you’re running low, simply plug in, recharge, and keep on going!
