27'' Clinical Review Monitor for Modern Medical Workstations

Introducing the ME-2701, a 27” clinical review monitor thoughtfully crafted to revolutionise document scrutiny in clinics. Every meticulous detail is accentuated, enhancing patient record evaluations. Beyond its crisp display, the monitor champions safety with its IEC/EN 60601 certified power adaptor. Its sophisticated ergonomic design, combined with VESA mounting compatibility, promises versatility – from a traditional desk setup to the hustle and bustle of medical trolleys.

Crisp Image Quality

Tailored for medical precision, the ME-2701 features 2MP (1920 x 1080) resolution, offering unmatched clarity, facilitating accurate diagnostics and integration.

Safety First

Our monitor features an IEC/EN60601 certified power adaptor, ensuring safe, consistent operations.

Flexible Ergonomics

Whether it’s tilt, pivot, or swivel, find your perfect angle. Optimise efficiency and maintain comfort even during those extended reviews.

Versatile Mounting

Adaptability at its finest. With a 100 x 100mm VESA specification, mount the ME-2701 with ease, be it on dynamic medical trolleys or sleek wall setups.

Broad Connectivity

Integration has never been smoother. With HDMI and DisplayPort interfaces, ME-2701 caters to the diverse connectivity needs of modern medical systems.

Eye-Care Technology

Prioritising your well-being. Crafted for extended usage, our monitor minimises eye strain through its flicker-free performance and protective blue light filter.
