Immersion becomes glasses-free

- Relying on glasses for 3D content is a thing of the past with switchable lenticular lens.
- Experience seamless 3D even when moving your head around with real-time eye-tracking.
- View your 3D content in clarity without compromising refresh rate.

2D/3D hybrid compatibility for hyper creativity

- Your work continues even without 3D content with the monitor’s 2D and 3D compatibility.
- Relish sharp and color accurate content with 4K resolution and 99% DCI-P3 and AdobeRGB color space coverage.
- Connect with convenience using single cable USB-C docking* and stack support.
