Zebra Enterprise Browser Service Subscription (5-Year) 1 license(s) 5 year(s)

Model: SW-EBAND-ZPP-TRM5

Manufacturer: ZEBRA

EAN:

Product Code: 1044704

R3,604

A powerful Android-based application development tool that allows you to customize the functionality and maximize the capabilities of Zebra devices—enabling integration with leading ERP (Enterprise Resource Planning) systems such as SAP.

Gain Unparalleled Versatility

Leveraging Zebra’s custom exclusive API library, create cost-effective web-based applications to run on different devices across your fleet for a true write-once, run-anywhere experience.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Simplify Data Capture

Improve efficiency and workflow experience with feature-rich, custom applications that seamlessly leverage data capture abilities from your Zebra device’s built-in capabilities (scanners, RFID and camera).

Integrate With Your ERP

The Zebra Picking Plus API, available with an Enterprise Browser license, delivers real time updates to SAP Cloud backend data base, directly from your mobile device, while simplifying operational workflows. Eliminate manual processes and enhance efficiency with seamless integration between the front and back end.
